CUMBERLAND STUDENT ART TO BE DISPLAYED FOR MONTH OF MARCH

Students from B.F. Norton, Garvin Memorial, and Community Elementary Schools in Cumberland will be sharing their artwork in the Hayden Art Gallery during the month of March. The exhibit will be accessible whenever the library is open.

Tara Villanova and Kerri Marshall are Visual Arts Educators in the town of Cumberland and are excited to share the work of their students in the community. They have chosen a number of pieces created by their students in grades K through 5 to represent a diverse range of subject matter and materials. Artwork was chosen based on excellent craftsmanship and some by subject matter that pertained to English Language Arts and literacy to coincide with the library setting.

Inside the Hayden Art Gallery, you will find a range of abstract and realistic artwork, self-portraits, landscapes, and more.

We hope you can spend time looking at their works this month!

For more information or to arrange an art display, contact Jacob Lotter at jlotter@cumberlandlibrary.org
